Step 3:
You should be on the following page:

The screenshot shows the Boy Scouts of America Learning Plans Dashboard. The header includes the BSA logo, the text "BOY SCOUTS OF AMERICA", and a user greeting "Hi, Gail Alexander!". The navigation bar has links for HOME, PROGRAMS, LEARNING PLANS, COURSES, and MY LEARNING. The main content area is titled "Learning Plans Dashboard / Mandatory- Youth Protection Training". It features a large graphic with the BSA logo and the text "YOUTH PROTECTION TRAINING". To the right of the graphic, there is a paragraph of text: "The safety and well-being of our youth is of paramount importance to our organization, and integral to everything we do. We must continue our commitment to providing a safe and secure environment at all times for all our youth members. After completing all three modules and passing the exam, it may take up to 24 hours to see your certificate in My.Scouting." Below the graphic, the text "Learning Plan" is followed by "Mandatory- Youth Protection Training". Underneath, it says "Total Duration: 72 minutes" and "Status: Completed 06/10/20". There are also tags for "YPT" and "Youth Protection Training" and a progress bar showing "Total progress 100%".

Take all four courses on this page. You will have to scroll down to see them. There should be a link labeled 'Take'.

The screenshot shows a list of four courses for the Mandatory- Youth Protection Training. The first course is "1. Overview and Policies v2", which has a duration of 24 minutes and is marked as "Completed". The second course is "2. Sexual Abuse v2", which has a duration of 25 minutes and is also marked as "Completed". Both courses have a "RE-TAKE" link next to them. The text for each course describes the module's purpose and the time to see the certificate after completion.
